Welcome to GSEHD! This guide contains helpful start up information to get you prepared to join our learning community. The frequently asked questions also contain information on course selection, books, tuition, funding, and billing.

Getting Started

Step One: Set up your GW Accounts

The **GWeb** Information System allows online access to GW student services, such as registering for classes, viewing student billing accounts, viewing grades and accepting financial aid. To set up your account:

1. Go to <http://my.gwu.edu/> and click on *GWeb Info System* in the upper left corner.
2. Enter the GWid that is given at the top of your offer of admission and on your Official Program Plan.
3. Enter your six-digit birthday (MMDDYY) as your PIN. *For security purposes please change your PIN.*

Your **GW NetID** gives you access to your student email account (GWMail), and Blackboard (online course software). To establish your NetID and email:

1. Go to <http://identity.gwu.edu/>
2. Click "Claim Your GW Email Address/NetID"
3. Enter your GWid, Last Name and Birth Date and follow the steps to create a NetID and password.
4. Finally, go to <http://my.gwu.edu/mod/email/> and sign on to your GW email with your NetID and password.

All official notifications (grades, bills, and important academic communication) will be sent to your GW email address, so please be sure to either check it regularly or have it forwarded to an account that you plan to check regularly. Instructions on how to forward your GW email account can be found [here](#).

Note: It may take up to 48 hours from when you receive this email for you to be recognized in the GW system. If you are unable to access your accounts initially please try again at a later time.

If you experience any technical difficulties, please contact the University Helpdesk at ithelp@gwu.edu. Other important information about GW technology services can be found here: <http://it.gwu.edu/support>.

Step Two: Consult Your Official Program Plan

Attached to this email is your Official Program Plan which will help you determine which courses are needed to complete your program at GSEHD.

Shortly before you begin your classes, you can consult DegreeMap which is an electronic reflection of your program plan and tracks which courses you have completed as well as those still needed. DegreeMAP is accessed through the [GWeb Information System](#): Student Records & Registration → Student Records Information Menu → DegreeMAP.

Step Three: Register for Classes

Before registering for classes please follow the registration sequence/guidance of your faculty advisor. Off-campus/distance students may also have a program support coordinator who can assist them with registration.

To register for classes online navigate to the [GWeb Info System](#) and log in with your GWid and PIN. Detailed instructions on how to register can be found on the website of the Office of the Registrar [here](#). Once you have
