Reminders about Selecting and Applying for Outside Internship Sites:

1. Read your Practicum/Internship Handbook for important information about the internship application process. Sent via the listserv.

2. Meet with your academic advisor to talk through your prerequisites for internship class, career goals post-graduation, and populations you would like to work with so that you can narrow down your choices for sites to apply to for internship.

3. Make sure to attend pre-internship orientation meetings during fall semester or in your foundations classes.

4. Check the counseling database for reviews on different sites that you are interested in:
   Evaluations of Internship Sites by past interns are located at this link:
   Review prior student evaluations of internship sites.
   THESE SITES DO NOT ALL HAVE MOUs!!!!!!

   Website here: http://gsehd.gwu.edu/findemployment
   Scroll down then
   Click on Counseling Practicum and Internship Database
   Students will need the username and password to access the site:
