User Login

Your **User ID** for this system is your **GWid**. Your **GWid** is the **Uppercase** letter 'G' followed by an 8-digit number. To retrieve your GWid, please visit <http://gwid.gwu.edu>.

Please note: Your account will be locked after five (5) consecutive failed login attempts. If this happens, click [HELP](#) for information about requesting a PIN reset.

If you have forgotten your PIN and know your User ID, please enter your User ID, leave the PIN field blank and then click the "Forgot PIN?" button to reset your PIN. Your PIN must be six characters long and should be a combination of letters and numbers. If you need further assistance, please contact The Division of Information Technology at (202) 994-GWIT.

Security Advisory:

The GWeb application enables access to important information related to your role within the university. It is crucial to never share your GW login credentials with anyone. Never respond to e-mails or ads that request your GWid, GW NetID (the portion of your e-mail address before the "@"), the passwords that correspond to these accounts or any other confidential information. If you are unsure about the validity of a message you receive or a link you see, please forward it to the Division of IT at abuse@gwu.edu. Learn more about how you can help keep your information and GW secure at [The U in Security - A 2-minute training module](#)
