

GW Licensure Requirements for Foreign/World Language Concentration

Please list the courses you have taken which you believe correspond to the content requirements for secondary education licensure in Foreign/World Language. Licensure requirements are coursework that includes components in language, linguistics, culture, and literature.

Some requirements may be waived for native speakers of the language or for students who received degrees in universities in countries of the target language. Study or work abroad may also be used to satisfy requirements at the discretion of the academic advisor.

Indicate the title of the course as listed on your transcript that include the content components listed below. Do not write in the advisor's approval column.

Humanities or Social Science (Culture & Civilization) – Recommended 9 hours of coursework

Title of Course	Hours/Credits	Date Taken	Grade Received	Approval

Classical and Contemporary Literature – Recommended 9 hours of coursework
